CHAPTER 55.

AN ACT to amend subsection (2) of section 84.07 of the statutes, relating to maintenance of highways.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Subsection (2) of section 84.07 of the statutes is amended to read: (84.07) (2) When any county shall maintain to the satisfaction of the commission the trunk highway system within its limits, there shall be paid to the county treasurer out of the state trunk highway appropriation the actual cost of such maintenance, including such allowance for the use of county machinery as shall be agreed upon in advance between the county highway committee and the commission. Such payments shall be made up to the amount available in the state trunk highway appropriation for maintenance upon the presentation by the county clerk of a properly itemized and verified account approved by the commission to the secretary of state. Whenever in any year the proper maintenance of the state trunk highway system in any county *or the connecting streets in any city between portions of the state trunk highway system*, shall not require, in the opinion of the commission, * * * the expenditure of the whole fund available * * * *therefor* in said county, *or city*, the commission may authorize the county board *or the city council* to use the surplus for other highway purposes or for the payment of county *or city* highway bonds. A certified account of said expenditure shall be filed with the commission by the county highway committee, *or the city clerk*.

SECTION 2. This act shall take effect upon passage and publication.

Approved April 22, 1927.
